> Hotels

\> Restaurants

\> food van

\> other food organizations.

So , Basically this app is for Hotels/ Restaurants or other food junction. So if i talk hotel then at the end of the day left food won't gonna waste and that will be provided to poor or needy people in nearer areas.

⬤Name and briefly describe 3 existing apps that are similar to your app idea.

\>*Ahar* http://www.aahar.org.in/ *Designed with the users in mind, aahar is an intuitive, easy-to-use application. Here are the steps to use ahar for food procurement and donation.*

\> *Feeding india* www.feedingindia.org *their vision is make india hunger free.*

\> *No food waste* nofoodwaste.org *Their aim to redistribute surplus food to those who are in need of it. If you have excess food from an event, party, wedding etc, please call our helpline, our volunteers will collect the excess food from you and distribute it among people who need it. The excess food will be checked for quality because lack of proper refrigeration and storage tend to spoil food.*
